VILLAS IN TUSCANY

INDEPENDENCE & FLEXIBILITY

Italy is known worldwide for its fascinating history, beautiful and varied landscape, unique culture, fantastic gastronomy and excellent wines. Imagine yourself hidden within the villages and vineyards of the Tuscan or Umbrian countryside, or stretched out on the exquisite beaches beneath the sun of Sicily. There is no truer way to experience the Italian lifestyle and natural splendour of Italy's vistas than from the comfort of your own villa, apartment or country home. **Transat Holidays offers you a selection of more than 600 villas, apartments and country homes in Italy.**

VILLAS

To stay in a villa is to experience the romance of ancient Italy. Wonderfully situated, often in the hills, these independent houses and beautifully restored farmhouses perfectly preserve ancient charm, and most offer a private pool.

APARTMENTS

Much like a villa, these properties are mostly large, restored farming estates divided into multiple units or apartments and most have a common swimming pool. Tastefully furnished, including your own private kitchen facilities, this type of accommodation allows you to live and experience Italy as a local.

COUNTRY HOMES

A selection of delightful converted and restored farmhouses, castles and even monasteries that offer many of the amenities and services of traditional hotels. Most include shared swimming areas, while providing an extra dimension of warmth and hospitality.
